## Counsels on Health – EGW

The Sabbath is a sign of the relationship existing between God and His people--a sign that they are His obedient subjects, that they keep holy His law. The observance of the Sabbath is the means ordained by God of preserving a knowledge of Himself and of Distinguishing between His loyal subjects and the transgressors of His law. {CH 358.4}

This is the faith once delivered to the saints, who stand in moral power before the world, firmly maintaining this faith.

Opposition we shall have as we voice the message of the third angel. Satan will bring in every possible device to make of no effect the faith once delivered to the saints. "Many shall follow their pernicious ways; by reason of whom the way of truth shall be evil spoken of. And through covetousness shall they with feigned words make merchandise of you: whose judgment now of a long time lingereth not, and their damnation slumbereth not." 2 Peter 2:2, 3. But in spite of opposition, all are to hear the words of truth.
