Thank you church family for supporting your church with your tithes and offerings so far this year. God Bless.

## Counsels on Health – EGW

God is displeased with those who are too careless or indolent to become efficient, well-informed workers. The Christian should possess more intelligence and keener discernment than the worldling. The study of God's word is continually expanding the mind and strengthening the intellect. There is nothing that will so refine and elevate the character and give vigor to every faculty as the continual exercise of the mind to grasp and comprehend weighty and important truths.
