Counsels on Health – EGW

The law of God is the foundation of all enduring reformation. We are to present to the world in clear, distinct lines the need of obeying this law. Obedience to God's law is the greatest incentive to industry, economy, truthfulness, and just dealing between man and man.

The law of God is to be the means of education in the family. Parents are under a most solemn obligation to obey this law, setting their children an example of the strictest integrity. Men in responsible positions, whose influence is far-reaching, are to guard well their ways and works, keeping the fear of the Lord ever before them. "The fear of the Lord is the beginning of wisdom." Psalm 111:10. Those who hearken diligently to the voice of the Lord and cheerfully keep His commandments will be among the number who see God. "The Lord commanded us to do all these statutes, to fear the Lord our God, for our good always, that He might preserve us alive, as it is at this day. And it shall be our righteousness, if we observe to do all these commandments before the Lord our God, as He hath commanded us." Deuteronomy 6:24, 25.
