## Counsels on Health – EGW

Our work as believers in the truth is to present before the world the immutability of the law of God. Ministers and teachers, physicians and nurses, are bound by covenant with God to present the importance of obeying His law. We are to be distinguished as a people who keep the commandments. The Lord has stated explicitly that He has a work to be done for the world. How shall it be done? Let us seek to find the best way and then perform the will of the Lord.

Seek to meet the expectations of Jesus Christ. He will help in every effort in the right direction. Remember that there is not an action of life, nor a motive of the heart, that is not open to the grace of the Saviour.
