Counsels on Health – EGW

Through the agencies of nature, God is working, day by day, hour by hour, moment by moment, to keep us alive, to build up and restore us. When any part of the body sustains injury, a healing process is at once begun; nature's agencies are set at work to restore soundness. But the power working through these agencies is the power of God. All life-giving power is from Him. When one recovers from disease, it is God who restores him.

Sickness, suffering, and death are work of an antagonistic power. Satan is the destroyer; God is the restorer.
