Counsels on Health – EGW

The way to the throne of God is always open. You cannot always be on your knees in prayer, but your silent petitions may constantly ascend to God for strength and guidance.

When tempted, as you will be, you may flee to the secret place of the Most High. His everlasting arms will be underneath you. Let these words cheer you, "Thou hast a few names even in Sardis which have not defiled their garments; and they shall walk with Me in white: for they are worthy." Revelation 3:4.

We are living in a time when the world is represented as Noah's time, and as in the time of Sodom. I am constantly shown the great dangers to which youth, and men and women who have just reached manhood and womanhood, and also men and women of mature years, are exposed, and I dare not hold my peace. There is need of greater refinement, both in thought and association. There is need of Christians' being more elevated and delicate in words and deportment.
