Counsels on Health – EGW

Drug medication, as it is generally practiced, is a curse. Educate away from drugs. Use them less and less, and depend more upon hygienic agencies; then nature will respond to God's physicians--pure air, pure water, proper exercise, a clear conscience. Those who persist in the use of tea, coffee, and flesh meats will feel the need of drugs, but many might recover without one grain of medicine if they would obey the laws of health. Drugs need seldom be used.
