Counsels on Health – EGW

Study the word, which God in His wisdom and love and goodness has made so plain and simple. The sixth chapter of John tells us what is meant by a study of the word. The principles revealed in the Scriptures are to be brought home to the soul. We are to eat the word of God; that is, we are not to depart from its precepts. We are to bring its truths into our daily lives, grasping the mysteries of godliness.

Pray to God. Commune with Him. Prove the very mind of God, as those who are striving for eternal life, and who must have a knowledge of His will. You can reveal the truth only as you know it in Christ. You are to receive and assimilate His words; they are to become part of yourselves. This is what is meant by eating the flesh and drinking the blood of the Son of God. You are to live by every word that proceedeth out of the mouth of God; that is, what God has revealed. Not all has been revealed; we could not bear such a revelation. But God has revealed all that is necessary for our salvation. We are not to leave His word for the suppositions of men.
