Counsels on Health – EGW

Obtain an experimental knowledge of God by wearing the yoke of Christ. He gives wisdom to the meek and lowly, enabling them to judge of what is truth, bringing to light the why and wherefore, pointing out the result of certain actions. The Holy Spirit teaches the student of the Scriptures to judge all things by the standard of righteousness and truth and justice. The divine revelation supplies him with the knowledge that he needs. And the needed knowledge will be given to all who come to Christ, receiving and practicing His teachings, making His words a part of their lives. Those who place themselves under the instruction of the great Medical Missionary, to be workers together with Him, will have a knowledge that the world, with all its traditionary lore, cannot supply.
