## Counsels on Health – EGW

Let all who are connected with the service of God be guarded, lest by desire they lead other into indulgence and self-glorification. God does not want any of His servants to enter into unnecessary expensive undertakings, which bring heavy burdens of debt upon the people, thus depriving them of means that would provide facilities for the work of the Lord. So long as those who claim to believe the truth for the time walk in the way of the Lord, to do justice and judgement, they may expect that the Lord will give them prosperity. But when they choose to wander from the narrow way, they bring ruin upon themselves and upon those who look to them for guidance.
