Counsels on Health – EGW

Economy in the outlay of means is an excellent branch of Christian wisdom. This matter is not sufficiently considered by those who occupy responsible positions in our institutions. Money is an excellent gift of God. In the hands of His children it is food for the hungry, drink for the thirsty, and raiment for the naked; it is a defense for the oppressed and a means of health to the sick. Means should not be needlessly or lavishly expended for the gratification of pride or ambition.
