## Counsels on Health – EGW

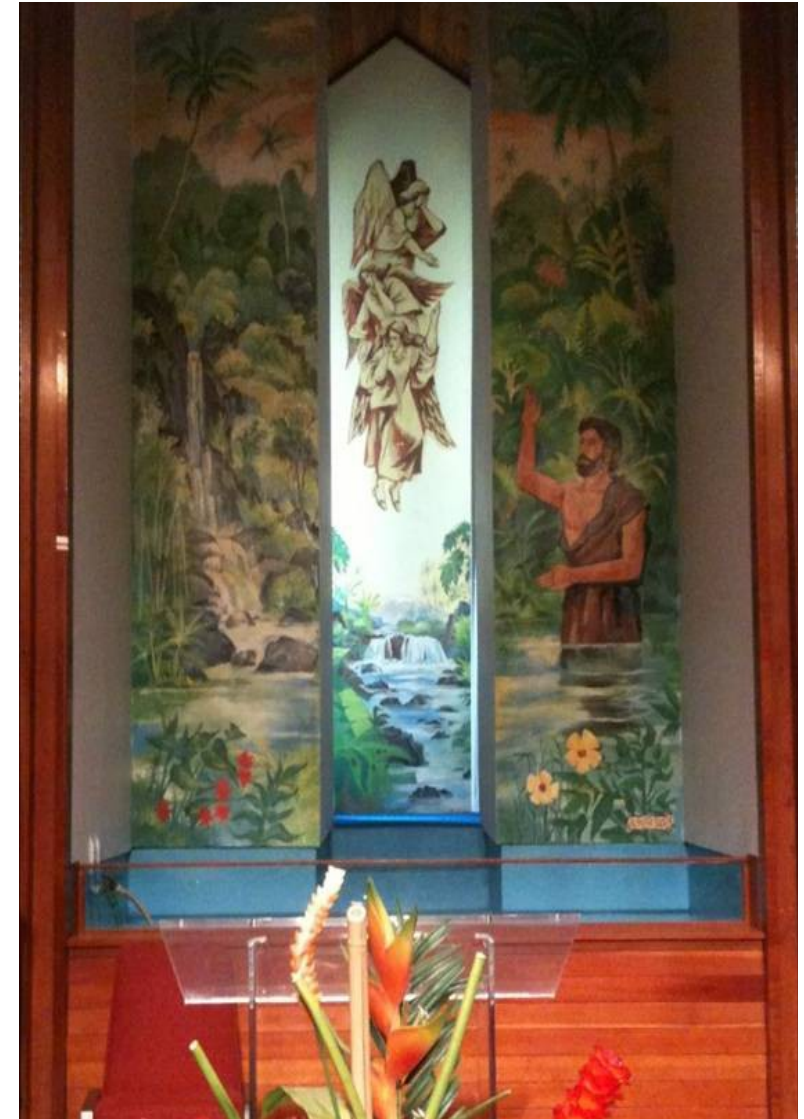

God calls for men whose hearts are as true as steel, and who will stand steadfast in integrity, undaunted by circumstances. He calls for men who will remain separate from the enemies of the truth. He calls for men who will not dare to resort to the arm of flesh by entering into partnership with worldlings in order to secure means for advancing His work-- even for the building of institutions. Solomon, by his alliance with unbelievers, secured an abundance of gold and silver, but his prosperity proved his ruin. Men today are no wiser than he, and they are as prone to yield to the influences that caused his downfall. For thousands of years Satan has been gaining an experience in learning how to deceive; and to those who live in this age he comes with almost overwhelming power. Our only safety is found in obedience to God's word, which has been given us as a sure guide and counselor. God's people today are to keep themselves distinct and separate from the world, its spirit, and its influences.
