On February 26, Kona SDA Church was significantly damaged by arson. No one was harmed, insurance was in order, and a suspect has been arrested. In spite of this setback, Kona Church began their evangelistic meeting the following weekend! While the cost of repairs are expected to be covered, other expenses are sure to be incurred. Those who would like to show their support may **mark an envelope with "Kona Church Fire."**

**Online giving is available** for those who want to give their tithes and offerings online. Just go to our church website, scroll down and click on the "Adventist Giving" box.

## Counsels on Health – EGW

The conversion of souls to God is the greatest, the noblest work in which human beings can have a part. In this work are revealed God's power, His holiness, His forbearance, and His unbounded love. Every true conversion glorifies Him and causes the angels to break forth into singing.

We are nearing the end of this earth's history, and the different lines of God's work are to be carried forward with much more self-sacrifice than is at present manifest. The work for these last days is in a special sense a missionary work. The presentation of present truth, from the first letter of its alphabet to the last, means missionary effort. The work to be done calls for sacrifice at every advance step. From this unselfish service the workers will come forth purified and refined as gold tried in the fire.

The sight of souls perishing in sin should arouse us to put forth greater effort to give the light of present truth to those who are in darkness, and especially to those in fields where as yet very little has been done to establish memorials for God. In all parts of the world a work that should have been done long ago is now to be entered upon and carried forward to completion.
