Donations:

On February 26, Kona SDA Church was significantly damaged by arson. No one was harmed, insurance was in order, and a suspect has been arrested. In spite of this setback, Kona Church began their evangelistic meeting the following weekend! While the cost of repairs are expected to be covered, other expenses are sure to be incurred. Those who would like to show their support may **mark an envelope with "Kona Church Fire."**

Online giving is available for those who want to give their tithes and offerings online. Just go to our church website, scroll down and click on the "Adventist Giving" box.

Counsels on Health – EGW

The Lord has signified that His work should be carried forward in the same spirit in which it was begun. The world is to be warned. Field after field is to be entered. The command given us is, "Add new territory." Shall we not as a people, by our business arrangements, by our attitude toward a world unsaved, bear a testimony even more clear and decisive than that borne by us twenty or thirty years ago?

Upon us has shone great light in regard to the last days of this earth's history. Let not our lack of wisdom and energy give evidence of spiritual blindness. God's messengers must be clothed with power. They must have for the truth an elevating reverence that they do not now possess. The Lord's solemn, sacred message of warning must be proclaimed in the most difficult fields and in the most sinful cities--in every place where the light of the third angel's message has not yet dawned. To everyone is to be given the last call to the marriage supper of the Lamb.

In proclaiming the message, God's servants will be called upon to wrestle with numerous perplexities and to surmount many obstacles. Sometimes the work will go hard, as it did when the pioneers were establishing the institutions in Battle Creek, in Oakland, and in other places. But let all do their best, making the Lord their strength, avoiding all selfishness, and blessing others by their good works.
