## Counsels on Health – EGW

It is the glory of the gospel that it is founded upon the principle of restoring in the fallen race the divine image by a constant manifestation of benevolence. This work began in the heavenly courts. There God decided to give human beings unmistakable evidence of the love with which He regarded them. He "so loved the world, that He gave His only-begotten Son, that whosoever believeth in Him should not perish, but have everlasting life." John 3:16

The Godhead was stirred with pity for the race, and the Father, the Son, and the Holy Spirit gave Themselves to the working out of the plan of redemption. In order fully to carry out this plan, it was decided that Christ, the only-begotten Son of God, should give Himself an offering for sin. What line can measure the depth of this love? God would make it impossible for man to say that He could have done more. With Christ He gave all the resources of heaven, that nothing might be wanting in the plan for man's uplifting. Here is love--the contemplation of which should fill the soul with inexpressible gratitude! Oh, what love, what matchless love! The contemplation of this love will cleanse the soul from all selfishness. It will lead the disciple to deny self, take up the cross, and follow the Redeemer.
