Counsels on Health – EGW

In the establishment and carrying forward of the work, the strictest economy is ever to be shown. Workers are to be employed who will be producers as well as consumers. In no case is money to be invested for display. The gospel medical missionary work is to be carried forward in simplicity, as was the work of the Majesty of heaven, who, seeing the necessity of a lost, sinful world, laid aside His royal robe and kingly crown and clothed His divinity with humanity, that He might stand at the head of humanity. He so conducted His missionary work as to leave a perfect example for human beings to follow. "If any man will come after Me," He declared, "let him deny himself, and take up his cross, and follow Me." Matthew 16:24. Every true medical missionary will obey these words. He will not strain every nerve to follow worldly customs and make a display, thus thinking to win souls to the Saviour. No, no. If the Majesty of heaven could leave His glorious home to come to a world all seared and marred by the curse, to establish correct methods of doing medical missionary work, we His followers ought to practice the same self-denial and self-sacrifice.
