Counsels on Health – EGW

My brother, my sister, take up your work right where you are. Do your best, ever looking to Jesus, the Author and Finisher of our faith. In no other way can we do the work of God and magnify His truth than by following in the footsteps of Him who gave up His high command to come to our world, that through His humiliation and suffering, human beings might become partakers of the divine nature. For our sake He became poor, that through His poverty we might come into possession of the eternal riches.... Intelligent, self-denying, self-sacrificing men are now needed--men who realize the solemnity and importance of God's work, and who as Christian philanthropists will fulfill the commission of Christ. The medical missionary work given us to do means something to every one of us. It is a work of soul saving; it is the proclamation of the gospel message.
