Donations:

On February 26, Kona SDA Church was significantly damaged by arson. No one was harmed, insurance was in order, and a suspect has been arrested. In spite of this setback, Kona Church began their evangelistic meeting the following weekend! While the cost of repairs are expected to be covered, other expenses are sure to be incurred. Those who would like to show their support may **mark an envelope with "Kona Church Fire."**

Online giving is available for those who want to give their tithes and offerings online. Just go to our church website, scroll down and click on the "Adventist Giving" box.

Counsels on Health – EGW

As a people we have been greatly humiliated by the course that some of our brethren in responsible positions have taken in departing from the old landmarks. There are those who, in order to carry out their plans, have by their words denied their faith. This shows how little dependence can be placed on human wisdom and human judgment. Now, as never before, we need to see the danger of being led unguardedly away from loyalty to God's commandments. We need to realize that God has given us a decided message of warning for the world, even as He gave Noah a message of warning for the antediluvians. Let our people beware of belittling the importance of the Sabbath, in order to link up with unbelievers. Let them beware of departing from the principles of our faith, making it appear that it is not wrong to conform to the world. Let them be afraid of heeding the counsel of any man, whatever his position may be, who works counter to that which God has wrought in order to keep His people separate from the world.
