Counsels on Health – EGW

If you are in daily communion with God, you will learn to place His estimate upon men, and the obligations resting upon you to bless suffering humanity will meet with a willing response. You are not your own; your Lord has sacred claims upon your supreme affections and the very highest services of your life. He has a right to use you in your body and in your spirit, to the fullest extent of your capabilities, for His own honor and glory. Whatever crosses you may be required to bear, whatever labors or sufferings are imposed upon you by His hand, you are to accept without a murmur.
