Counsels on Health – EGW

Fathers and mothers, watch unto prayer. Guard strictly against intemperance in every form. Teach your children the principles of true health reform. Teach them what things to avoid in order to preserve health. Already the wrath of God has begun to be visited upon the children of disobedience. What crimes, what sins, what iniquitous practices, are being revealed on every hand! As a people, we are to exercise great care in guarding our children against depraved associates. {CH 134.3}
