## **Counsels on Health – EGW**

Those who occupy responsible positions should so educate and discipline themselves that all within the sphere of their influence may see what man can be, and what he can do, when connected with the God of wisdom and power. And why should not a man thus privileged become intellectually strong? Again and again have worldlings sneeringly asserted that those who believe present truth are weak-minded, deficient in education, without position or influence. This we know to be untrue; but is there not some reason for these assertions? Many have considered it a mark of humility to be ignorant and uncultivated. Such persons are deceived as to what constitutes true humility and Christian meekness.
